As a project management professional, you know the importance of deadlines
So we want to remind you that time is running out to support the PMI Educational Foundation (PMIEF) in 2017 and help us continue to help kids learn, teachers teach, and nonprofit and non-governmental organizations be even more effective and efficient.

We have many exciting initiatives planned for 2018, but we can't make a difference without your support.

Please consider making a gift to PMIEF.
