Introducing the 2018 PMIEF Scholarship and Award Recipients

PMI Educational Foundation (PMIEF) awarded more than 200 project management–related scholarships to college students, teachers, practitioners and nonprofits/nongovernmental organizations. PMIEF is grateful for the generosity of its donors, including PMI members, chapters, communities, Registered Education Providers (R.E.P.s) and universities, all of whom make these scholarships and awards possible—thereby, helping to build the best and brightest future project management workforce.

2018 Academic Scholarship Recipients

PMIEF administers academic scholarships for students in project management–related degree programs. These scholarships are funded by PMI, University of Management and Technology (UMT), International Institute for Learning, Inc. (IIL), and various PMI chapters. In 2018, PMIEF awarded more than 50 academic scholarships to the following recipients:
