

PMI Educational Foundation

Donors Make a Difference

PMIEF Thanks All Those Who Supported Its Mission in 2017

Donors to the PMI Educational Foundation (PMIEF) truly make a difference! This past year, its supporters helped bring project management to 224,000 children around the world. And that's just a fraction of all that was made possible due to their generosity.

Here are a few more ways in which its donors' support help PMIEF make a positive impact around the globe:

- PMIEF awarded 13 grants in 2017 that totaled US\$1,868,766. This is a 39 percent increase over 2016 grant funding.
- PMIEF awarded over 380 scholarships totaling over US\$400,000 in 2017.
- PMIEF has awarded US\$6.2 million in grants since 2012 through thoughtful collaboration with approximately 40 nonprofits across the world. Once completed, the grant-funded initiatives will collectively reach more than 1 million people on six continents.

PMIEF relies on the generous and continuing support of the entire PMI community to achieve its goals and thanks its loyal supporters for partnering with the foundation to leverage *project management for social good*®. To learn more about PMIEF and ways you can support its mission, please visit pmief.org. Thank you!

Happy Anniversary to Cadence Management Corporation

This year, PMIEF is proud to share a partnership anniversary with Cadence Management Corporation. Cadence has been providing outstanding project management education to PMIEF grant and scholarship recipients for 10 years. Here's to the next 10!

An Outstanding Mission Partner: IIL

PMIEF is thrilled to recognize an exemplary partner—the International Institute for Learning (IIL)—for its contribution of over 15 new project management courses available to PMIEF scholarship recipients. We are grateful to IIL for its support of empowering individuals to realize their potential to transform their lives and their communities through project management knowledge.

Welcome P3M Group

PMIEF's newest corporate partner, P3M Group, is a project, program and portfolio management consultancy with its global headquarters in the United Kingdom. Most recently, P3M trained 19 educators from Junior Achievement Ireland (a PMIEF nonprofit partner) in project-based learning methods using project management knowledge.

Every effort was made to ensure the accuracy of this list. Errors or omissions are unintentional and should be reported to pmief@pmi.org.

PMIEF is a 501(c)(3) nonprofit charitable organization, registered in the U.S. District of Columbia and all U.S. states that require charities to do so. For those filing a U.S. tax return, donations may be tax-deductible; the PMIEF U.S. tax ID number is 23-2630701. For more information, visit pmief.org.
