PMIEF Thanks All Those Who Supported Its Mission in 2018

Donors to the PMI Educational Foundation (PMIEF) truly make a difference! This past year its supporters helped bring project management to 225,000 children around the world. And that’s just a fraction of all that was made possible due to their generosity.

Here are a few more ways in which its donors’ support helped PMIEF make a positive impact around the globe:

- PMIEF awarded eight grants that totaled US$1,397,660.
- PMIEF awarded over 330 scholarships totaling over US$462,000.
- PMIEF has awarded US$7.6 million in grants since 2012 through thoughtful collaboration with nearly 50 nonprofits across the globe.

PMIEF relies on the generous and continuing support of the entire PMI community to achieve its goals and thanks its loyal supporters for partnering with us to leverage project management for social good®.
