

PMIEF 30th Anniversary

You're Invited to Join the Celebration!

Thirty years ago, the world saw the beginning of the Human Genome Project, the deployment of the Hubble Space Telescope ... and the creation of the PMI Educational Foundation. All of these events were game changers and we hope you'll celebrate with us on 4 August and throughout the month.

How can you get involved? Browse the list below to learn more about PMIEF, play our Word Search game, watch video messages, participate in our coloring activity and much more!
